NP04

Charge

- J-PARC wants to hear user's voice
 - J-PARC is also requested to do so by funding agency to endorse J-PARC's request
- Users need a channel to inform their request
- ???
- Mutual evaluation of fields
- Real charge

First meeting (July 16)

- Chairperson
 - O. Hashimoto
- Progress report
- Discussion
 - Funding for experiments (all fields)
 - What will be provided by J-PARC and what will be prepared by users
 - Industry use and academic use (beam time Charge)

First meeting (continued)

- Organization
 - right place for discussion?
 - JAERI scheme
 - J-PARC: independent organization
 - KEK scheme
 - J-PARC: joint organization (JAERI and KEK)
 - has to be decided soon

Budget request

- Kakenhi
 - money for experiment (research)
- Gaisan yokyu (estimated budget request)
 - Money for facility
 - becomes hard to get recently (medium and small size)
- After university becomes independent organization
 - Cooperative

Laboratory of Nuclear Studies Osaka University

- Nuclear and Particle Physics Group
 - 5 professors
- Request for Branch in J-PARC site
- Request
 - PRISM
 - Kaon beam line
